Deep Learning

Dr. Konda Reddy Mopuri
kmopuri@iittp.ac.in
Dept. of CSE, IIT Tirupati
Aug-Dec 2021

Time slot

- B slot
- Tuesday 9 - 9:50 AM
- Wednesday 11 - 11:50 AM (recorded video)
- Friday 10 - 10:50 AM

Logistics

- Course website: https://kmopuri.github.io/dlc/
- Following have been (or, will be soon) shared via mail
  - Google Classroom link
  - Zoom meeting link
  - TAs details

Evaluation

- Quizzes - 30% (Unannounced; Quizizz platform [best 3 of 4])
- Mid-semester - 20%
- End-semester - 30%
- Mini-project - 20% (last one month; groups of 2; implementation and presentation)

Textbooks and References

- Lot of online resources
  - Deep Learning textbook by Ian Goodfellow *et al.*
  - Deep Learning: Methods and Applications, by D. Li and D. Yu
  - DL course by Prof. Mitesh Khapra, IITM
  - Michael Nielsen's text book on NN & DL
  - DL course by François Fleuret, Uni. of Geneva
  - PyTorch - https://pytorch.org/
  - Many more that I could not list and am not aware of...
